## THE OVAL WORLD: A GLOBAL HISTORY OF RUGBY (PAPERBACK)

To read **The Oval World: A Global History of Rugby (Paperback)** eBook, please refer to the web link listed below and download the file or get access to other information which might be have conjunction with THE OVAL WORLD: A GLOBAL HISTORY OF RUGBY (PAPERBACK) ebook.

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Rugby has always been a sport with as much drama off the field as on it. For every thrilling last-minute Jonny Wilkinson drop-goal to win the World Cup or Jonah Lomu rampage down the touchline for a try, there has been a split, a feud or a controversy. The Oval World is the first full-length history of rugby on a world scale - from its origins in the village-based football games of medieval times up to the globalised sport of the twenty-first century, now played in over 100 countries. It tells the story of how a game played in an obscure English public school became the winter sport of the British Empire, spreading to France, Argentina, Japan and the rest of the world and commanding a global television audience of over four billion for the last World Cup final. It also explores how American football - and other games such as Australian, Canadian and Gaelic football - emerged from their English cousin. Featuring the great moments in the game s history and its legendary names - David Duckham, Serge Blanco, Billy Boston and David Campese, alongside Rupert Brooke, King George V, Boris Karloff, Charles de Gaulle and Nelson Mandela - The Oval World investigates just what it is about rugby that enables it to thrive in countries with very different traditions and cultures. This is the definitive world history of a truly global sport.
