### ***Reviews***

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).*

America Star Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Just as the seasons change, so does love. It has a beginning, a middle and an end. This poetry book is all about the different changes love can put people through as seen through the eyes of different people who have crossed my path in life, from the young, to the old, and those who are still looking for love, hoping to find the kind that will last forever. I hope these poems will reach into your heart and touch your soul and speak to you. If so, then I have accomplished my dream in life-to write good poetry! Janet Crosby Fears was born and raised in Joliet, Illinois. She worked with the local high schools as a paraprofessional for many years before retiring in 2004 to pursue her writing full time. She is a graduate of the NRI School of Fiction Writing out of Washington, D.C. She not only writes poetry, but also short romantic stories, black folklore and plays. Janet resides in Joliet with her husband, Arthur L. Fears, and is currently working on her second book of poetry.
