He is UKs biggest music manager, she is the countrys leading florist. He is the best man, she is the maid-of-honour. And its fireworks from the moment they first set their eyes on each other at their best friends wedding. Ryan and Cherish are like two peas in a pod; they not only complete each other but also share a passion thats hard for the world to not notice. But for one problem: hes married and has two little children. Tired of being a secret for more than two years, Cherish gives Ryan an ultimatum: its either commitment or they go their separate ways. Ryan is torn. What does he do when he has to choose between the woman he loves and his marriage, ending which would mean losing his children What happens when his wife finds out and threatens to tarnish their images, even as he seems to be losing Cherish to another man Does Cherish choose Richard, the friend whos secretly in love with her, or does she give the man she loves another chance Is it just a filthy affair or is their love strong enough to make it through And if it is all wrong, why does it still feel so right This item ships from La Vergne, TN. Paperback.
