For wannabe journalist, Ellie, getting to do work experience at her favourite teen magazine, Heart, is fantastic. She's going to interview pop stars Pop and Lolly for the magazine and her article will be published in next month's edition - if it's good enough. But Ellie soon finds out that she's got a jealous rival who's determined to turn her dream job into a nightmare. Her article is sabotaged and it's made to look as if Ellie didn't get on with the two stars when in fact they got on brilliantly and the girls even gave Ellie a scoop to publish.
