Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dorothy Shea Chapman was the last person in the world to take herself seriously. When she first came to our Autobiography Workshop, held in the Community/Senior Citizen Center in Dana Point, CA, she entered the room with a bouncing flair and a spirited walk, while folding up her red-tipped white cane. One knew immediately that this woman was full of wit, intelligent without the egotism that often goes with it, possessing a self-deprecating manner that worked as a magnet. She drew others to her without any visible effort. Dorothy s essays and poetry hit their target every time. Nothing-no subject-was off-limits for her pen. She exhibits a sensitivity not often seen when she tackles life s most laborious challenges-even grief. She tackled everything from kitchen pots to kibitzing pols, from gravy to graft, so to speak. This book promises you one laughing-out-loud page after another! Let this mother, grandmother and great-grandmother regale you, teach you, and bless you.
