

Elsevier's Integrated Review Immunology and Microbiology: With STUDENT CONSULT Online Access (Paperback)

By Jeffrey K. Actor

Elsevier - Health Sciences Division, United States, 2012. Paperback. Book Condition: New. 2nd Revised edition. 274 x 216 mm. Language: English . Brand New Book. Effectively merge basic science and clinical skills with Elsevier's Integrated Review of Immunology and Microbiology, by Jeffrey K. Actor, PhD. This concise, high-yield title in the popular Integrated Review Series focuses on the core knowledge in immunology and microbiology while linking that information to related concepts from other basic science disciplines. Case-based questions at the end of each chapter enable you to gauge your mastery of the material, and a color-coded format allows you to quickly find the specific guidance you need. Online access included with your purchase allows you to conveniently access the book's complete text and illustrations online as well as relevant content from other Student Consult titles. This concise and user-friendly reference provides crucial guidance for the early years of medical training and USMLE preparation.

Reviews

Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which basically transformed me, modify the way in my opinion.

-- **Hank Runte**

This ebook is great. I am quite late in starting reading this one, but better than never. I am just easily will get a satisfaction of reading through a composed pdf.
