For Terrence, the best friend role has always been filled; wifey was the only available slot. Lani took that position with pride, but now she realizes that she has the entire game backward - she was foolish enough to think that the woman with the biggest diamond was the winner. Instead, she feels like just another obligation while Kenya, Terrence s best friend, is where he has hidden his heart. But Lani isn t your average house wife. And a smashed heart doesn t make her lie down and die. Just the opposite, she jumps in the boxing ring with both gloves tied. But she isn t fighting for Terrence or for love; she is going purely for self and taking no prisoners. In the end, neither Terrence nor Kenya can compare to her.
