DYING CHURCH, RISING BODY (PAPERBACK)

AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 202 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Dying Church, Rising Body centers on the need to reclaim the Biblical emphasis on church discipleship and growth the way it was done in the 1st Century. Too many churches have compromised with contemporary culture both in structure and faith thus the first half of the title, Dying Church. The first century church of Peter, Paul, John and the other Apostles grew through their witness to Jesus Christ and making disciples whose interpersonal ministries and evangelism developed through the use of spiritual gifts thus the second half of the title, Rising Body. Paul especially emphasized this method of developing thriving bodies of believers whose concentration was on heart and relational transformation as opposed to buildings, superstar preachers, doctrinal differences, denominational competition and traditional worship forms.
