Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Etiquette is little more than a way to interact with those around us. It is less about a set of rules than it is about feeling confident and at ease with others. In a world where social skills are quickly becoming a rare commodity, good etiquette is an asset which helps us to advance both our careers and our relationships. FOREWORD It is not unusual for people to feel uncomfortable in common social situations. While we are all expected to know the basics of social etiquette, many of us can still feel inadequately prepared. Despite there being dozens of etiquette books available, few provide any information from a modern perspective. The focus has instead been on out-dated rules of chivalry and how to share a meal with the Queen. This lack of relevant advice means that many people have been left to find things out the hard way; a trial and error process which is time-wasting and unnecessary. Dissatisfied with the status quo, and determined to find a solution, we wrote this book so as to provide a relaxed and enjoyable way for people to find out how best to deal with social situations in today s society. It is not an all-inclusive view on every possible point of etiquette, but rather a practical discussion with real life examples of the key aspects; ranging from general conversational skills, to writing CVs and preparing for job interviews. Throughout this book, we provide real and sensible advice for a range of social situations so that we may all experience life in a way which makes the most of the opportunities presented to us. INTRODUCTION Over the years, etiquette has lost..
