Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Short stories about friends and family. The first three stories are about ordinary families struggling to cope with extraordinary loss. In One More Chocolate Santa Before Bedtime, a father and daughter spend their first Christmas Eve together without mommy. In Sons Fathers, two families of men are haunted by the past on the anniversary of a tragic accident. And in the title story, Missing Malerie, a young girl disappears on a school trip to The Burren. The story chronicles the lives of her devastated family over the course of the next decade. To be happy again, I thought I would have to forget about her. I was terrified of forgetting, as if I ever could. Then to lighten the mood we have How I Fell In Love And Got New Speakers For My Car A kinda romantic comedy about being young, being bored, being drunk, being dumb and being in love. This distinctly Irish teen comedy is followed by A Eulogy For Benji, a story about a cantankerous old drunk giving a church full of mourners a piece of his mind.
