HarperCollins Publishers, United Kingdom, 2006. Paperback. Book Condition: New. 196 x 142 mm. Language: English . Brand New Book. The stunning book from Christopher Ross, Sunday Times top 10 bestselling author of Tunnel Visions . In 1970 Japan s most famous writer, Yukio Mishima, cut open his stomach and was then beheaded with his own antique sword. His anachronistic suicide has been called many things: a desperate heroic gesture; a work of art; a political protest; the antics of a madman. But which is correct? And what became of Mishima s sword? Thirty years later Christopher Ross sets out for Japan on the trail of those who might have answers: craftsmen and critics; soldiers and swordsmen; boyfriends and biographers; even the man who taught Mishima hara-kiri. Like his best-selling Tunnel Visions: Journeys of an Underground Philosopher , Christopher Ross has written another unclassifiable blend of travel writing, autobiography and philosophical enquiry to create a mesmeric account of modern Japan and the peculiar death that haunts it to this day.
