Was it when you cut open a letter envelope? Or what about that time you cut into that book a few millimeters? But if you think about it, those creaky scissors can be used for fun. Now how about applying those scissors to something artistic and practical! They can be good friends and a source of magic when you want to make something for yourself or others. With a little wrist action and some paper those rusty scissors can turn little sheets into a bouquet of flowers! They can be used to celebrate or commemorate a special occasion. Or they can add color and beauty to a setting with little more than a traced pattern and some dexterity. In Simply Precious Pop-Ups paper-crafter Kiyoshi Kikuchi offers up more than 50 easy to follow pop-up card patterns for everyone to enjoy! By simply following his large patterns crafters, young and old, can quickly make fun and attractive cards for any occasion.
