Using self-quizzes and examples of charisma in action, Alessandra demystifies the concept of charisma, defines its seven key components, and offers a step-by-step program in charisma basics that shows you how to: -- Make first impressions powerful and positive-- Master the art of public speaking-- Develop the six essential skills of dynamic listening-- Jump-start your persuasive powers using four simple steps-- Harness the vital resources of time and space-- Motivate others by recognizing and adapting to the four core personality types-- Create and communicate your vision, your ideas, your products.
