Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Paperback. Book Condition: New. Not Signed; The Thunder Point series The Promise - Book 5 #1 New York Times bestselling author Robyn Carr returns to Thunder Point with an uplifting story about overcoming loss and finding unexpected love. Scott Grant has a bustling family practice in the small Oregon community of Thunder Point. The town and its people have embraced the widowed doctor and father of two, his children are thriving, and Scott knows it's time to move on from his loss. But as the town's only doctor, the dating scene is awkward. That is, until a stunning physician's assistant applies for a job at his clinic. Peyton Lacouette considers herself entirely out of the dating scene. She's already been burned by a man with kids, and she's come to Thunder Point determined not to repeat past mistakes. When Scott offers her a job, at a much lower salary than she's used to, Peyton is surprisingly eager to accept. at least for now. She's willing to stay for a three-month trial period while she explores other options. Scott and Peyton know the arrangement is temporary - it isn't enough time to build a real relationship, never mind anything with lasting commitment. But love can blossom faster than you think when the timing is right, and this short visit just might hold the promise of forever. Praise for Robyn Carr 'A touch of danger and suspense make the latest in Carr's Thunder Point series a powerful read.' - RT Book Reviews on The Hero 'With her trademark mixture of humor, realistic conflict, and razor-sharp insights, Carr brings Thunder Point to vivid life.' -Library Journal on The Newcomer 'No one can do small-town life like Carr.' -RT Book Reviews on The Wanderer 'Strong conflict, humor and well-written characters are Carr's calling cards, and they're...
