

## The Book of Immortality: The Science, Belief, and Magic Behind Living Forever (Paperback)

By Adam Leith Gollner

Scribner Book Company, United States, 2014. Paperback. Book Condition: New. Reprint. 212 x 138 mm. Language: English . Brand New Book. What have we not done to live forever? Adam Leith Gollner, the critically acclaimed author of *The Fruit Hunters*, weaves together religion, science, and mythology in a gripping exploration of the most universal of human obsessions: immortality. Raised without religion, Adam Leith Gollner was struck by mankind's tireless efforts to cheat aging and death. In a narrative that pivots between profundity and hilarity, he brings us into the world of those whose lives are shaped by a belief in immortality. From a Jesuit priest on his deathbed to antiaging researchers at Harvard, Gollner-- sorting truth from absurdity--canvasses religion and science for insight, along with an array of cults, myths, and fringe figures. He journeys to David Copperfield's archipelago in the Bahamas, where the magician claims to have found a liquid that reverses genes. He explores a cryonics facility, attends a costume party set in the year 2068 with a group of radical life-extensionists, and soaks in the transformative mineral waters at the Esalen Institute. Looking to history, Gollner visits St. Augustine, Florida, where Ponce de Leon is...
