iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It was a typical day at the office for Patsy McDonald-until she got the call that changed her life forever. Her doctor s chilling words, You have breast cancer, plunged Patsy into a frightening nightmare, and her future suddenly looked very dim, indeed. Yet Patsy refused to give in to her fear and instead, faced the cancer with the strength and determination to conquer it. Uplifting and deeply spiritual, Cancer and Me tells Patsy s amazing true story of her journey from her initial diagnosis to becoming cancer-free. Her easy-to-read, conversational tone takes you deep inside the trials and tribulations of how Patsy dealt with cancer, of the endless doctor appointments, of the excruciating chemotherapy treatments, and of the personal toll it took on her emotional, physical, and spiritual health. Through it all, Patsy s faith and family sustained her. Her amazing co-workers, church family, and relatives offered her support through prayer, comfort, and encouragement. Through the pain-filled days, Patsy relied on her faith in the Lord and her hope for a blessed future. Not once did the Lord let her down. Perfect for those undergoing cancer treatments or for loved ones who would greatly benefit from the patient s perspective, Cancer and Me will rejuvenate and refresh your body, mind, and spirit.
