HARDIE GRANT BOOKS, Australia, 2008. Hardback. Book Condition: New. 240 x 158 mm. Language: English . Brand New Book. Bradman and Wisden are two names synonymous with cricket. Bradman in Wisden gives the scores of Sir Donald's 234 first-class games, his 52 Test Matches for Australia and minor matches played on four tours of England. But these give only part of his story. All the feature articles about Bradman that have appeared in Wisden over the past eighty years are included, including his definitive obituary. Between them, they tell why, seven years after his death, he remains an Australian hero, a cricket icon and a sporting legend. The book also contains articles which Bradman himself wrote in Wisden. Published to coincide with the 100th anniversary...
