SHEPHERDS PIE: FAMILY BUSINESS, RECESSION RECOVERY - THE REAL STORY

The Mercier Press Ltd. Paperback. Book Condition: New. This item is printed on demand. Paperback. 224 pages. For the first time since the Irish financial meltdown comes a book not from an economist or journalist but from a self-employed Irishman who found himself in the eye of the storm. George Mordaunt believes that many Irish businesses are now dysfunctional not because of the recession, but because of the reaction of business owners to the recession - and specifically their reaction to their banks. With raw honesty he outlines the effect this reaction has had on himself, his young family, his marriage, and his business. In late 2010, George Mordaunts Chamber of Commerce conference speech to politicians and Irish company chiefs brought the conference room to tears and sparked this story of how bust businesses can lift themselves out of the mire. This item ships from La Vergne, TN. Paperback.
