Brand New Book ***** Print on Demand *****.Excerpt from **Embers: With the Failures, the Gargoyle, in His House, Madonna, the Man Masterful; One-Act Plays of Contemporary Life** These little plays were written for acting, but arranged for reading. Knowing how small an opportunity the professional stage in this country gives for the serious one-act drama so common on the Continent, they are modestly offered to those who see some dignity in the form, and who realize that certain dramatic ideas find their best expression in the concentrated episode. The growing demand, also, among readers for plays has encouraged the author to write these, and their unexpected publication in the magazines has prompted him to bring them together. They make no pretense save to show character in action, and, in several instances, to picture its different reactions from the same stimulus. They are studies in consequences and readjustments, being, in fact, a further expression of some preceding situation. Each play is, therefore, the epitome of a larger drama which is suggested in the background. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
