Countryman. 1 Cloth(s), 2011. hard. Book Condition: New. Since 1605, when George Waymouth and his ship Archangel sheltered from an Atlantic storm in the lee of Monhegan Island and found lobsters aplenty in the shoreline rocks, the Gulf of Maine has supported a lobstering industry, whose hard-working men and women pull "bugs" from the sea to sustain a cussedly independent way of life. This album of color photos vividly captures the lobstermen and their day-to-day experience working the crowded decks of rugged fishing boats, sailing past port communities like Stonington and Vinalhaven, loading their traps in pre-dawn mist, seeing to the endless maintenance and also reveals the stirring beauty of the sea and the sky (and a hold full of fresh catch). 128.
