## FRECUENTAR EL FUEGO (PAPERBACK)

Editores Villegas, Colombia, 2005. Paperback. Book Condition: New. 206 x 137 mm. Language: Spanish . Brand New Book. Latino Book Award 2005 - Mejor Novela Romantica (Best Romance Novel) This remarkable novel exists as one of the most accurate narrative descriptions of rural violence in Colombia. The weight of events and the inherent state of war that seems to irremediably condemn human beings are the back drop to a sensitive account of the death of Julian, a popular activist murdered during a peasant demonstration. This event triggers an expansion of violence that transgresses society s every law--from media infiltration in the form of censorship to the irreparable consequences of ruthless crossfire in battlefields. Esta novela singular es hasta la fecha uno de los mas certeros acercamientos novelados a la situacion de violencia rural que se respira en Colombia. La contundencia de los hechos y el inherente estado de guerra al que irremediabilmente parecen estar condenados a vivir los seres humanos se levantan como telon de fondo en un relato sensible de la muerte de Julian, un popular activista campesino que es asesinado durante una marcha campesina. Es asi como se desata una violencia expansiva que transgrede todas las capas de la sociedad--desde su infiltracion a los medios de comunicacion en forma de censura hasta las irreparables consecuencias causadas por el fuego de los violentos en los campos de batalla.
