IDA GODBOLD: 100 YEARS AND COUNTING! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Ida Godbold It doesn't matter who you talk to, everyone thinks their generation was the best. Even those who experienced tremendous hardships recall mostly the good bits, and my Grandma is no exception. Whilst she's survived two world wars and been surrounded by lots of death, endured years of hard work without the modern conveniences we now take for granted, she still maintains she's probably seen the best in mankind. She's helped bring babies into the world, and washed and laid dead people out, something common for many people of her generation. She comes from an era when people were strong, resilient and didn't just care about material things, but friends and neighbours too. They were proud, independent and hard working. They didn't rely on handouts, didn't think the world owed them any favours and when things were broke, they fixed them. That went for relationships as well as stuff, and it's a philosophy many of us would do well to adopt. This is the story of my Grandma Godbold, and is based on the conversations we've had together over the years. Whilst it will be of most interest to her family, Ida Godbold, is a remarkable woman in my opinion. She's part of my history. Indeed, but for her I wouldn't be here to tell this tale, so if you're sitting comfortably, let me tell you a little bit about the woman who's top of my family tree.
