WHO D YOU VOTE FOR, ER. . . AGAINST?: A SNARKY LOOK AT PRESIDENTIAL ELECTIONS (PAPERBACK)

DOWNLOAD

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Phil McKenney (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this snarky look at U.S. Presidential elections over the last half-century, the author tackles the question of whether voters are generally more negative than positive. That is, do voters vote against a candidate or party rather than for a candidate or party? Examining his own voting record in Presidential elections, the author concludes that he has more often been a negative rather than a positive voter, but he sees nothing wrong with that. Indeed, over a long period, negative voting may contribute to more stable government. Within this overall structure, the issues, personalities, and outcome of each election from 1964 to 2012 are reviewed, the historical setting is detailed, and the rise and general dominance of the conservative side of the political spectrum are argued. In addition, a sketch in the nature of a political cartoon seeks to capture the essence of each election. Between election chapters are essays. Some are fictional narratives, others are commentary of some sort. There is even a war story.
