Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 276 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.ALL THE NOTES AND MORE is designed to help you develop and maintain your tone, tonguing, technique, flexibility, endurance, range, and more no matter what styles you play. In it you will practice and master all kinds of scales and arpeggios in all ranges of your instrument. They are the necessary building blocks of music, and all top performers have them ingrained into their playing so they can perform at the highest levels of musicianship. Here s just a few suggestions for using these studies: - Always play with a great sound. No matter whether you re playing high or low, fast or slow.always listen to yourself closely to play with a great sound. That s what others are hearing, make them say. Oh what a sound! .when you play. - It is never possible to play these studies too slowly. However it is possible to play them too fast. By playing slow, you can listen closely to the fundamentals of playing to make adjustments that make playing the studies quicker much easier and more musical. As you play, be listening closely to yourself so that each note has a pleasing sound. - Don t just play notes - always make music! - When learning a study, you may wish to start with the last measure, play it a few times until you are comfortable with it, then back up one measure and play the last two measures. Then practice the last three measures. Repeat this strategy until you are at the beginning of the study. This way you will have lots of practice finishing strong. - Always use various articulations for the studies. Examples:...
