INDIAN FINANCIAL SYSTEM

I.K. International Publishing House Pvt. Ltd., 2006. Paperback. Book Condition: New. 14cm x 21.5cm. Indian Financial System explains the changing dimensions of the country's financial set-up owing to the financial sector reforms. The book assesses the Indian financial system in the light of contemporary changes that have taken place in financial markets, mutual funds industry, insurance and banking sectors etc. The book provides a sound theoretical foundation, giving a clear conceptual understanding of the subject. It gives a complete picture of the structure, operations and functions of various components of the Indian financial system. Every chapter in the book begins with the objectives of learning and is followed by objective, analytical and essay-type questions. The book would be useful for graduate and postgraduate level students of commerce, management and economics.
