Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In my business you rub shoulders with corporate business, lone wolf criminal hackers, international hacking crews, scammers and large criminal syndicates. Criminal syndicates that can make large financial transfers disappear without a trace at both the sending and receiving banks; a hop from Dubai to Switzerland in the blink of an eye as though it never happened. The baby harvest is the concept of a criminal syndicate: making and raising virtual babies to adulthood to be put on the shelf for strategic long-term financial empire building. The babies once reaching adulthood will marry other virtual babies, obtain finance, enter the derivatives markets, obtain life insurance, and eventually be harvested, (killed off) at investment maturity. Every baby is unique, effectively a designer baby ; fit for a purpose to perform certain tasks at harvest . These could be to ship in a cache of firearms, drugs, sells fake bitcoins, stock trade, eBay power seller or a high income earner/high tax payer for life insurance. This book is written as a How to guide for criminals. However, the purpose is to show the weaknesses in the identify systems for governments and law enforcement. It is envisaged as a playbook for authorities to beware of the vulnerabilities in systems. There are systems in place to reduce identify theft, such as the protection of Birth and Death Certificates from government bodies. But the weakness is in the creation of these documents in the first place. With over twenty years of experience I am a leading expert in the world of professional hackers . My company, (Kustodian) made up of elite professionals, has been responsible for penetrating some of the largest...
